Board Meeting at 5:45 PM

President's Corner

The Board spent last Sunday night doing their turn on cleaning our airplanes. We also had Lonnie Hayes, Milton Smith, Jon Lusk, and Steve Grier pitching in.

While cleaning the planes, we also did a sight inspection for damage and a maintenance check up. I think the cleaning process of our planes has helped members appreciate the value of our planes and therefore better over all care has been taken this last year, Let's keep it up.

Be sure to attend this month meeting to hear from Blake's guest speaker. I know its early, but it's time to think about volunteering for the next year.
